"I enjoy turning simple ideas, surfaces and materials into visually expressive pieces."

02

WALL ART & PAINTED SURFACES

Spaces become part of the artwork.

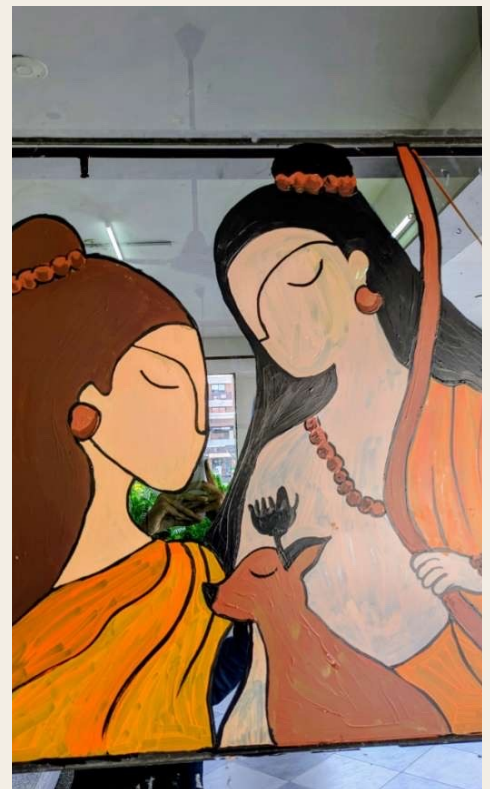

Decorative wall and glass painting developed through bold motifs, narrative details and hand-painted surfaces.

WALL ART

Krishna Festive Window Art

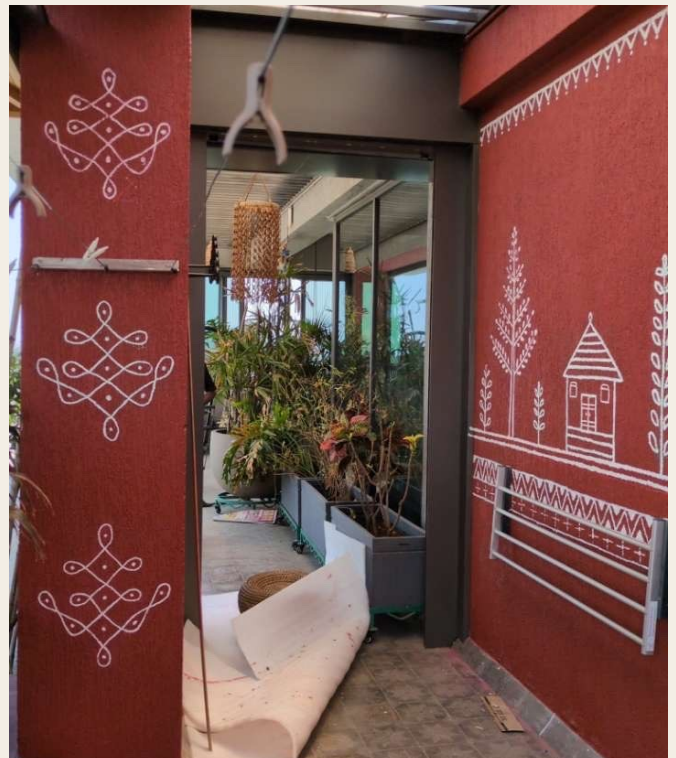

A playful painted-glass composition with Krishna, florals and festive decorative details, shown as a full piece and in context.

WALL ART

Festive Painted Surfaces

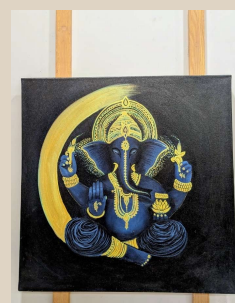

Window and architectural artworks using celebratory imagery, pattern and decorative colour.

03 | CANVAS & FINE ART

Quiet narratives in painted form.

Canvas works move between decorative florals, devotional imagery, abstract geometry and small studies of the natural world.

Ganesha Canvas

DEVOTIONAL CANVAS STUDY

CANVAS & FINE ART

Bird Study Series

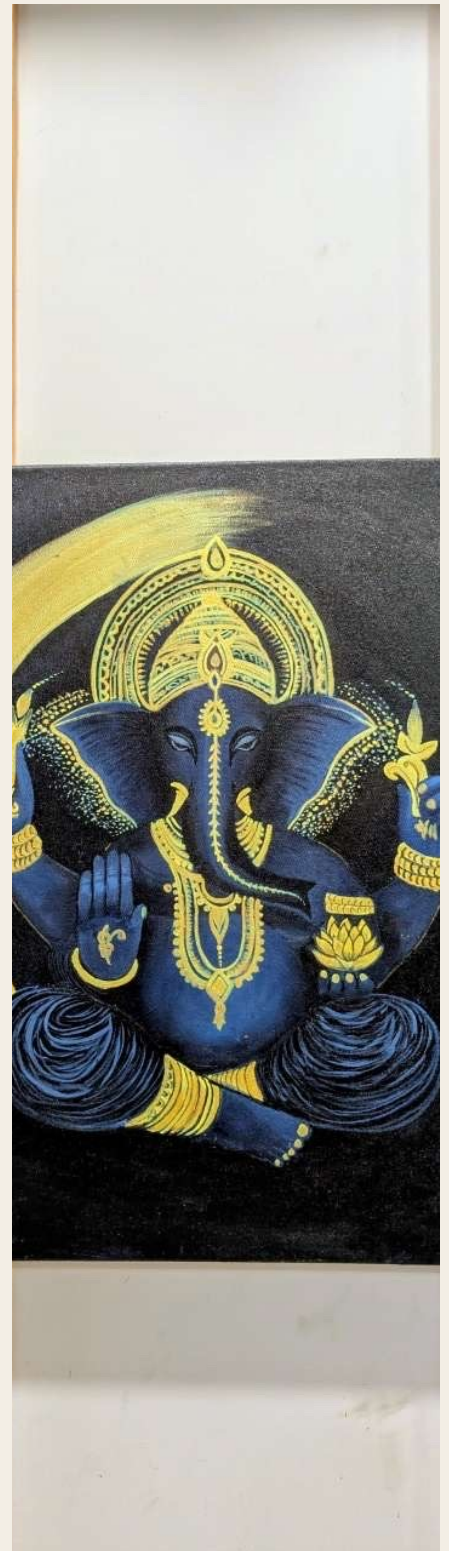

Compact framed paintings focused on colour, branches, natural textures and intimate observational compositions.

CANVAS & FINE ART

Colour, Symbol & Composition

A selection balancing decorative botanicals, devotional imagery and modern abstract form.

Line, character and careful observation.

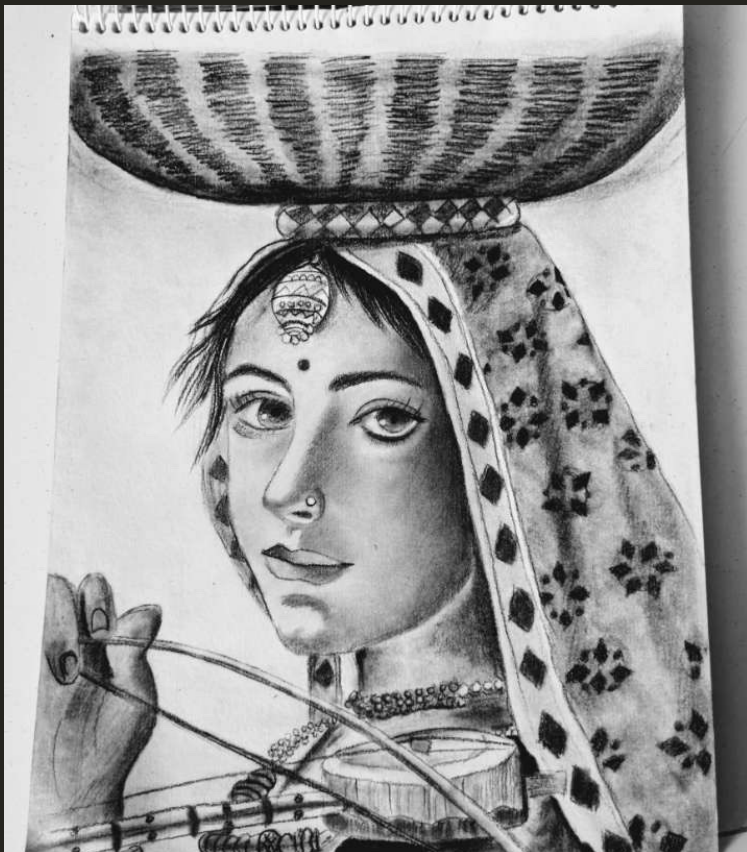

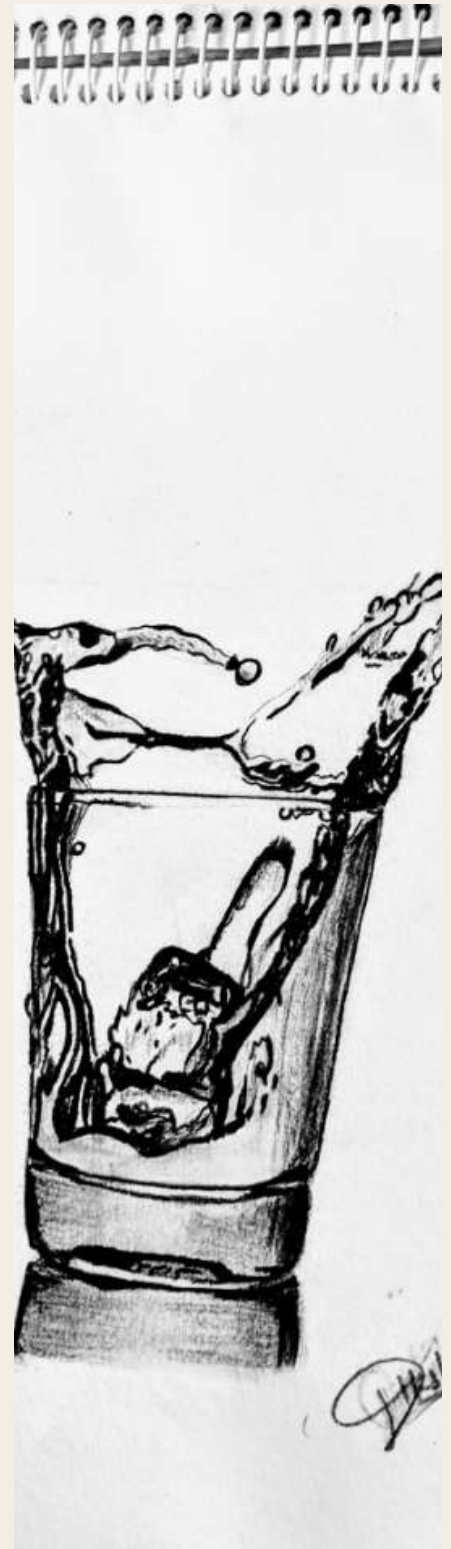

ILLUSTRATION & DRAWING

Pattern, Gesture & Monochrome

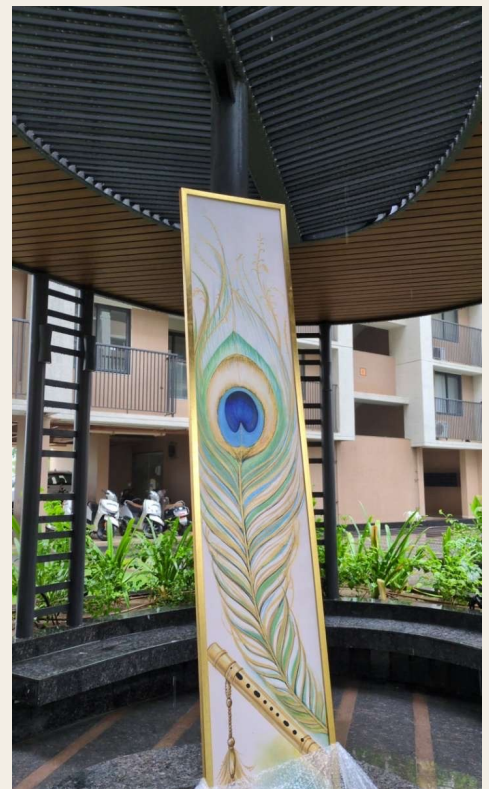

Studies shaped through repeated marks, detailed linework, pencil texture and controlled monochrome contrast.

DECORATIVE ART

Folk Pattern & Ornament

Decorative compositions using circular rhythm, folk-inspired pattern, geometric borders and strong colour.

05 | PROCESS

From idea to final expression.

A simple creative process built around understanding the visual direction, exploring colour and materials, creating by hand, and refining the final details.
